

**List of Abstracts Accepted for the 10th Annual Conference of the Society of
Indian Physiotherapists
Hyderabad: 23th – 25th January, 2026**

Submission Id	Presenting Author (in Bold)	Title
448	Samarpita Senapati	Influence of Lower Limb Dominance on Dynamic Balance in Cricket Bowlers: An Observational Study
450	Krupa Tank , Priyanka Padsumbiya, Priyanshu Rathod	Advancing Rehabilitation Through Innovation: Design, Development and Testing of the Myomotion Corrector Device for Knee Joint Mobility.
451	Nagarjuna Narayanasetti , Kshitija Bansal, Annie Thomas	Effect of low-impact exercises with behavioral relaxation therapy on tremors, upper limb function, and disability in patients with Parkinson's disease
452	Krupa Tank , Priyanshu Rathod	RK Femtone: A Novel Biofeedback Device for Pelvic Floor Muscle Evaluation and Rehabilitation in Women
454	Jay Sharma	Efficacy of Aerobic Dance V/S Yoga Therapy in Primary Dysmenorrhea Among College-Going Girls of Anand District: A Comparative Study
455	Anuj Nair	Home-Based Robot-Assisted Upper-Limb Training For Stroke In India (HOMER): Protocol For A Multicentre Randomized Controlled Trial
457	Pratiksha Lanke	Hip abductor muscle strength in patients with avascular necrosis of the femoral head
458	Dorcas BC Gandhi, Rinita Mascarenhas , Elizabeth Lynch, Coralie English, Julie Bernhardt, Jeyaraj D Pandian, John M Solomon	Implementation Of Contextualized Clinical Practice Guidelines for Motor Rehabilitation Post-Stroke in India-The CLAIM INDIA Study
459	Vaishali Gabani , Saravanan Murugan	Analysis and Relationship Between Cardio-Respiratory Endurance, Heart Rate Variability and Metabolic Risk Factors in Office Workers

NOTE:

- Presenting Author is required to register by **December 12, 2025** to include the abstract in the final programme through <https://sip-physio.org/register-online/>
- Mode of Presentation (Platform/Poster) will be communicated through a separate email by December 6, 2025.
- Authors will be informed about the schedule of their presentation by **December 25, 2025**

**List of Abstracts Accepted for the 10th Annual Conference of the Society of
Indian Physiotherapists
Hyderabad: 23th – 25th January, 2026**

460	Datri Bhattacharyya, Anwesh Pradhan, Shilpasree Saha	Comparative Efficacy of Proprioceptive Neuromuscular Facilitation and Neural Mobilization on Pain and Functional Disability In Arm Pain With Cervical Origin: Single-Blinded Randomized Controlled Trial
462	Kajal Girdharlal Chauhan	Comparison of pilates-based core strengthening exercises and closed kinematic chain exercise on pain pressure threshold, range of motion in knee osteoarthritis post-menopausal women – a randomized control trial
463	Chandini Patnana, Viswanath Reddy Avilala, Madhavi Konetigari	Effect of Thrower’s Ten Program on Strength, Endurance and Upper Body Power Among the Female Shuttle Badminton Players
465	Josh Naga Vartha, John Solomon M, Raghuv Raghumahanti	Assessment of Accuracy and Agreement of AI Tool in Risk of Bias Assessment: An Opportunity or Obstacle Towards AI-Assisted Systematic Reviews
466	Tushara Nair, G. P. Kumar	Effect of an eclectic physiotherapeutic approach on fatigue, hospital-based anxiety and depression, and quality of life in patients receiving adjuvant therapy for cancer: an experimental study
468	Shweta Rao	Assessment of Fatigue in Post-Chemotherapy Breast Cancer Survivors Using Standardized Fatigue Scales
469	Neha Mukkamala, Varsha Shah, Nalina Gupta, G P Kumar	Impact of a Whole Food Plant-Based Diet, Exercises and Lifestyle Modification on A 71-Year-Old Female With Longstanding Type II Diabetes and Hypertension: A Case Report

NOTE:

- Presenting Author is required to register by **December 12, 2025** to include the abstract in the final programme through <https://sip-physio.org/register-online/>
- Mode of Presentation (Platform/Poster) will be communicated through a separate email by December 6, 2025.
- Authors will be informed about the schedule of their presentation by **December 25, 2025**

**List of Abstracts Accepted for the 10th Annual Conference of the Society of
Indian Physiotherapists
Hyderabad: 23th – 25th January, 2026**

470	Manju Sheoran	Effectiveness of Physiotherapy on Functional Outcomes Following Posterior Cruciate Ligament(PCL) Reconstruction
471	Abha Khisty , Zafar Azeem, Janvi Vishwakarma, Tushar Palekar	Movement Towards Sustainability: Understanding The Role of UN-SDGs in Physiotherapy
473	Bharti Dangar, Amit Sharma	Integrative Management of Forward Head Posture Addressing Pelvic and Thoracic Influences: A Randomized Controlled Trial
475	Vishnu Vithalani , Amit Sharma	Smart Walking Cane (Walk Pro) For Elderly Population: Design, Development, and Evaluation of an Innovative Assistive Mobility Device
476	Srishti Banerjee , Yagna Shukla	Baseline Assessment of Physiotherapy Practices in Musculoskeletal Care With Reference to Carbon Efficiency Across Gujarat: A Cross Sectional Survey
477	Rajni Mittal , Narkeesh Arumugam, Priyanka Dangi, Sharanjeet Kaur	Effect of Repetitive Transcranial Magnetic Stimulation (rTMS) and Oropharyngeal Exercises on Polysomnographic (PSG) Parameters in Adults With Sleep Apnea: A Pilot Study
478	Swati Dhrangu	An Effect of High-Intensity Jack-Knife Stretching Technique Versus High-Intensity Static Stretching Technique Among Football Players With Hamstring Tightness: A Comparative Study
479	Rajeswari Muthusamy , Karthick Krishnamoorthy	Muscle tone and motor development in extremely preterm, very preterm and moderate preterm infants at 8 months of corrected age
480	Chand Rani , Pooja Dogra, Varun P. Gopi, Nalina Gupta	CogGraphNet: An Explainable Cross-Dataset Graph Neural Network for Detection of Cognitive Decline
481	Kshitija Bansal , Jasmine Kaur Chawla	Impact of Pelvic and Knee Alignment Dynamics on Explosive Power in University-Level Amateur Athletes: A Correlational Study

NOTE:

- Presenting Author is required to register by **December 12, 2025** to include the abstract in the final programme through <https://sip-physio.org/register-online/>
- Mode of Presentation (Platform/Poster) will be communicated through a separate email by December 6, 2025.
- Authors will be informed about the schedule of their presentation by **December 25, 2025**

**List of Abstracts Accepted for the 10th Annual Conference of the Society of
Indian Physiotherapists
Hyderabad: 23th – 25th January, 2026**

483	Samana Hullemane, Abirami M, Deepak Jain N	Quality Indicators in Pediatric Cardiac Rehabilitation: A Scoping Review
485	Chandra Bathran, Asir John Samuel	Lived Experience of Patients with Knee Osteoarthritis Undergoing Physiotherapy: A Qualitative Study
486	Urvi Kanjariya	TILTROBO DEVICE -Remote-Controlled Balance Board
487	Namrata Bhadbhade, Shantanu Shirude	Dual Task Performance in Problematic and Non-Problematic Smartphone Users in the Age Group Of 18-25 Years: A Comparative Study
488	Anjana S	MOB EASE portable hydraulic hoist system for safe and effortless patient transfers: an innovation transforming physiotherapy practice.
489	Shreelakshmi. A Adiga, Pallavi.B Wajapey	Presence of Pet Animals in Homes and their Potential Impact on Respiratory Health of Infants and Children - A Cross Sectional Study
490	Mahendrakar Manimala, Pallavi.B Wajapey	Effectiveness of Plyometric and Flatfoot Corrective Exercise Interventions on Balance, Foot Posture, Weight-Bearing Distribution, Gait, and Quality of Life in Obese Children with Flexible Flatfoot: A Comparative Study
491	Pearl Desai, Mumux Mirani	Awareness, Attitude, And Practice of Relaxation Techniques Among Physiotherapy Students and Professionals: A Cross-Sectional Survey
492	Raxit Jesingbhai Zala, Amit Sharma	Development and Evaluation of a Sports-Specific Exercise Protocol to Address Hamstring Tightness and Pronated Foot to Enhance Biomotor Skills in Cricket Players
493	Daksh Dhirenbhai Vyas, Amit Sharma	The relationship between oblique muscle strength and bowling performance in cricket: implications for speed, accuracy, and injury prevention
495	Manasvi Sukhadiya, Neha Mukkamala, G Palani Kumar	Comparative Study of Muscle Strength and Endurance of Deep Cervical Flexors in Office and Non-Office Workers.

NOTE:

- Presenting Author is required to register by **December 12, 2025** to include the abstract in the final programme through <https://sip-physio.org/register-online/>
- Mode of Presentation (Platform/Poster) will be communicated through a separate email by December 6, 2025.
- Authors will be informed about the schedule of their presentation by **December 25, 2025**

**List of Abstracts Accepted for the 10th Annual Conference of the Society of
Indian Physiotherapists
Hyderabad: 23th – 25th January, 2026**

497	Poonam Parulekar, Anuprita Thakur	Understanding Physiotherapists' Perspectives on Barriers to Pulmonary Rehabilitation in Urban Indian Settings: A Cross-Sectional Survey.
498	Mayura Kudva, Akshata Nadgir, Pruthviraj R	School-based Screening for Adolescent Idiopathic Scoliosis in South Bengaluru for Early Detection and Intervention
499	Subbiah Kanthanathan, Srinivasan Rajappa, Antony Leo Aseer P	Predictors For Prognosis in Regional Function and Quality of Life Following Multimodal Physiotherapy Management in Individuals with Subacromial Pain Syndrome
500	Abdul Raheel, Pallavi B Wajapey	Beyond Conventional Bracing: Innovations in Orthotic Management for Children with Motor Disorders (2020–2025)
503	Syed Aziz Pasha	Evaluation of Knowledge Attitude and Perception of Amateur Athletes in Prevention of Sports Injuries - A Cross-Sectional Study
504	Supriya Nakhate, Mohua Chatterjee	Role of Physiotherapy after Phrenic Nerve Injury in Head & Neck Cancer Patient Post Surgery- A Case Study
505	Vanshika Gautam, Sharanjeet Kaur, Priyanka Dangi, Narkeesh Arumugam	Combined Effect of Autonomic Nervous System Neuromodulation along with Activity-Based Therapy on Central Pattern Generator of Locomotion in Individual with Paraplegia – A Case Study
508	Rujula Jadhav, Kavitha Vishal, Prateek Srivastav	Pain-Related Beliefs in Individuals with Low Back Pain – A Cross-Sectional Study
509	Megha Poshatti	Impact of Peroneal Nerve Electrical Stimulation on Quadriceps Arthrogenic Muscle Inhibition in Individuals With Unilateral Knee Osteoarthritis.
510	Tanha, Nanda Kumar S, Anagha Kulkarni	Association of Bedside Handwriting Test with Balance Impairment in Individuals with Parkinson's Disease: A Pilot Study

NOTE:

- Presenting Author is required to register by **December 12, 2025** to include the abstract in the final programme through <https://sip-physio.org/register-online/>
- Mode of Presentation (Platform/Poster) will be communicated through a separate email by December 6, 2025.
- Authors will be informed about the schedule of their presentation by **December 25, 2025**
